⁴ You will earn i) 1 RBC Rewards point for every \$1.00 in Gas, Grocery, and Drug Store Purchases you make; and ii) 1 RBC Rewards point for every \$2.00 in all other purchases (including pre-authorized bill payments) you make with your card. Purchases made at merchants classified by Visa's "Merchant Category Code" (MCC) as: (i) "service stations" (MCC 5541) or "automated fuel dispensers" (MCC 5542) are "Gas Purchases"; (ii) "grocery stores" (MCC 5411) are "Grocery Purchases"; and (iii) "drug stores & pharmacies" (MCC 5912) are "Drug Store Purchases" ("Eligible MCCs"). Even though some merchants may sell gas, grocery, and drug store merchandise, purchases made at these locations may not necessarily qualify as Eligible MCCs if the merchant is not classified as such by Visa. Also, you may make a purchase at a merchant that is not classified as an Eligible MCC but is located on the premises of a merchant that is classified as an Eligible MCC, in which case your purchase would not qualify as an Eligible MCC. We cannot guarantee that any merchant operating in whole or in part as a gas, grocery or drug store is classified as an Eligible MCC, and in no event will we be liable or responsible for any claims with respect to a grocery store purchase made at a merchant that is not classified as an Eligible MCC. See sample list of eligible merchants at www.rbc.com/shop. RBC Rewards points are earned on net purchases only; they are not earned on cash advances (balance transfers, cash-like transactions and bill payments that are not pre-authorized charges that you set up with a merchant), interest charges or fees, and credits for returns and adjustments will reduce or cancel the points earned by the amounts originally charged.

⁵ You will earn \$2 back for every \$100 (2% Cash Back Credit) in Grocery Store Purchases you make, up to a maximum of \$6,000 per Annual Period, ii) \$1 back for every \$100 (1% Cash Back Credit) in Grocery Store Purchases you make in excess of \$6,000 during an Annual Period, unlimited, iii) \$0.50 back for every \$100 (0.5% Cash Back Credit) in Net Purchases you make (including preauthorized bill payments) other than Grocery Store Purchases up to a maximum of \$6,000 per Annual Period, and iv) \$1 back for every \$100 (1% Cash Back Credit) in Net Purchases you make (including preauthorized bill payments) other than Grocery Store Purchases in excess of \$6,000 during an Annual Period, unlimited. Grocery Store Purchases are purchases made at merchants classified by Mastercard's "Merchant Category Code" as "grocery stores and supermarkets" (MCC 5411). Royal Bank of Canada ("Royal Bank") cannot guarantee that any merchant operating in whole or in part as a grocery store is classified by MCC 5411, and in no event will Royal Bank be liable or responsible for any claims with respect to a grocery store purchase made at a merchant that is not classified by MCC 5411. To consult the list of participating merchants, please visit www.rbc.com/nofeeback. Provided your New Cash Back Balance is \$25 or greater, Cash Back Credits earned during the Annual Period will i) automatically be credited to your January Account balance and appear on your February Account Statement, and/or ii) be credited at any other time, upon request. For complete details, please refer to the RBC Cash Back Program Terms and Conditions at www.rbc.com/nofeebackinfo.
