The Osgoode Certificate in Education Law

Complete 5 days of programming within 2 years to earn the Osgoode Certificate in Education Law.

Endorsed by

Complete 5 days of programming within 2 years to earn the Osgoode Certificate in Education Law.

The education system continues to evolve and more demands are being placed on you, as an Education Professional. It is increasingly important that you stay on top of the latest legal issues, ensure you understand the law that guides your actions and have a good understanding of risk management and best practices strategies.

OsgoodePD's Education Law programs were **developed exclusively for you**, in consultation with legal and industry experts. Choose to register for 1, 2 or multiple programs.

For those that wish to take a deeper-dive, if you complete 5 days of programming within 2 years, you will be eligible to obtain the **Osgoode Certificate in Education Law**.

Program Requirements:

A) Required Courses

- Critical and Emerging Issues in School Law for K-12 Education Professionals (2 days)
- The Legal Guide to Special Education Law
- Human Resources Law for Education Professionals

B) Elective Courses (choose 1 of):

- The Legal Guide to Privacy and Information Management for Education Professionals
- Education Law for Private and Independent Schools (Must attend full day if using as elective for the Certificate)
- Advanced Issues in Special Education Law
- Mental Health Law for Children and Youth

NOTE: Additional programs will be added as confirmed.

Designed to provide a **curriculum-based** learning platform, this Osgoode Certificate will provide education professionals and their advisors with the opportunity to:

- Enhance their skills across **core competencies** in the critical areas of education law
- Deepen their knowledge of the **legal standards** that guide their actions
- Learn about and reflect upon **best practices** and evolving approaches in a range of current and challenging areas faced by educators
- Practice learned skills and get feedback from instructors – acknowledged experts in the field
- Get a deeper understanding of your role in the larger education law system and the impact your actions have

Each program module includes an **emphasis on skills-based learning**, with in-class lectures being supplemented by case studies and peer interaction, group work, designated Q&A sessions, role plays, simulations and much more.

Learn at your own pace. Can't wait for the next Live offering? Viewing the most recent iteration On Demand can still count towards your Certificate in Education Law.

Programs at a Glance

Osgoode Certificate in Human Rights for Education Professionals

February 3 – 4 and March 31 –

April 1, 2023 (4 days)

(This program does not qualify for the Certificate in Education Law)

This one-of-a-kind Certificate is a unique program providing an interactive opportunity to assess human rights issues and discuss practical strategies and solutions with your colleagues along with an expert, multi-disciplinary faculty.

The Legal Guide to Privacy and Information Management for Education Professionals

February 10, 2023

(Online Replay: March 7, 2023)

Now more than ever, understanding the importance of privacy and information management in the education sector is of critical importance. This program helps educators get the skills and knowledge needed to avoid costly missteps.

The Legal Guide to Special Education Law*

February 28, 2023

(Online Replay: March 28, 2023)

This is a primer on Special Education Law and provides the basic grounding for understanding this area. As a greater number of students have special needs requiring support beyond those ordinarily received in the school setting this program offers a complete grasp of the obligations you face and provides a toolkit of best practices to guide your daily actions.

Advanced Issues in Special Education Law

March 23, 2023

(Online Replay: April 20, 2023)

For those who already have a good grounding in special education but are looking for more, this is the course to take. Growing from our annual conference this advanced session will look beyond the law to focus on complex and challenging special education matters,

providing guidance and tools about how to address them while meeting the obligations towards staff and students.

Mental Health Law for Children and Youth

April 11, 2023

(Online Replay: April 26, 2023)

This annual event brings together legal, healthcare, mental health and education professionals to provide a comprehensive update on the essential, current and emerging issues surrounding mental health law for children and youth.

Human Resources Law for Education Professionals*

May 1, 2023

(Online Replay: May 31, 2023)

Human resource challenges in the education sector are increasingly complex. This course reviews OHSAA obligations, investigations, human rights complaints, off-duty conduct, social media risk management and more. You will gain practical strategies and best practices to add to your HR toolkit.

Critical and Emerging Issues in School Law for K-12 Education Professionals*

Available On Demand

This is our core education program offering. It will give you an in-depth understanding of the top legal issues facing educators today, along with practical strategies for handling them.

Education Law for Private and Independent Schools

Available On Demand

Private and independent schools face a myriad of issues unique to them. The goal of this program will be to provide an overview of applicable laws, strategies and best practices for handling them.

Recommended for:

Those working in education or advising education clients and seeking to gain a comprehensive grounding in all aspects of education law, including:

- School Administrators (Principals, VPs)
- Teachers
- Superintendents of Education
- Supervisory Officers
- School Trustees
- Special Education Consultants
- Directors of Education
- School Board Staff
- Teachers
- Office of the Ombudsman
- Education Law Practitioners

Interested in a session but can't wait for the live date?

Watch the archive session from the last offering via On Demand and complete the Certificate requirements at your own pace.

- Police, cyberspace and criminal behaviour: police protocols and *YCJA*
- Child protection issues
- Indigenous education: experience and realities

* These programs are required for those seeking to obtain the Certificate.

ENDORSERS:

OSCA / ACOSO

What past participants have said about our Education Law programs:

“The program was exceptional. It was very professionally organized and the facilitator honoured the timelines. Each element of the program was presented by a highly qualified member of the legal or HR profession with legal and policy frameworks supported by practical leadership requirements.

Patrick McCarthy, Ottawa-Carleton District School Board

I appreciated very much the diverse perspectives.

Dr. June Starkey, Clinic Director, Joy of Learning

“As a privacy coordinator new to the education setting I found all of the sessions very helpful and informative.

“Overall, the highlight was the variety of sessions on topics relevant to education. The information related to COVID-19, given its timeliness, was particularly engaging.
